Remote Online Notary (RON): A Smarter Way to Close Your Loan

We're excited to introduce Remote Online Notary (RON)—a secure, convenient way to complete your loan closing from anywhere. No need to travel or schedule in-person appointments. With RON, you can sign your closing documents online with a certified notary, all through a secure platform.

Why Choose RON?

- **Convenience:** Close your loan from home, work, or anywhere with internet access.
- **Speed:** Faster scheduling and document signing—no waiting for in-person meetings.
- **Security:** Verified identity checks and encrypted technology keep your information safe.
- **Flexibility:** Ideal for busy schedules or borrowers who can't easily visit a branch.

How It Works

1. You'll receive a secure link to join a virtual signing session.
2. A certified notary will verify your identity and guide you through the process.
3. You'll sign your documents electronically—quick, easy, and legally compliant.

What You Need

- A computer or tablet with a camera and microphone.
- A reliable internet connection.
- A valid photo ID for identity verification.

Questions?

Reach out to your loan officer or closing team—we're here to help make your closing experience as smooth as possible.
